

# Winkel messen

Diagrams of angles A through H for measurement:

- Angle A:** A right angle (90°) with rays labeled 'a' and 'b'.
- Angle B:** An acute angle with rays labeled 'c' and 'd'.
- Angle C:** An obtuse angle with rays labeled 'e' and 'f'.
- Angle D:** An acute angle with rays labeled 'g' and 'h'.
- Angle E:** A straight angle (180°) with rays labeled 'i' and 'k'.
- Angle F:** An obtuse angle with rays labeled 'l' and 'm'.
- Angle G:** An acute angle with rays labeled 'n' and 'o'.
- Angle H:** An obtuse angle with rays labeled 'p' and 'q'.
